

Dear Parent and student,

September 2011

Please sign and return.

My child (please print) _____ in _____ grade has my permission to be included in Sacred Heart Religious Education computer usage, Resource speakers and photographs on our church website.

In order for your child to understand the teachings of our Catholic Faith, I agree that on a weekly basis my child will attend Mass, practice prayers and attend Religious Education. **With the sacramental years, it is required that your child attend Religious Ed. classes the year preceding and the year receiving the sacrament as mandated by the Diocese.** This is a central part of my child's growth in their faith. We will uphold our Catholic teachings and put what is being learned in class into practice at home. We do understand it is our duty to see that our child has the privilege of going to Mass each week.
